

This is the Bud Reveile Family Home Page compliments of the W. D. Reveile family.

If you log in with the username "bud" and your dogs nickname as your password, you will see many changes in the menus. You will be able to change your own password and edit this page and you can change this page to family only if you want. If you use the documentation and the help box, you can figure out how to put a [link to the motorcycle shop](#). You also have a [separate profile page](#) for the Bud Reveile Family that can just be a short introduction if you want. That page will always be publicly readable but you have more control over this home page. From this home page, you can even create more pages in the Bud Reveile Family section.

If you get stuck, just call me or [email me](#) and I'll be happy to assist you.

[Here's a a link](#) to the pictures we took on our first visit to your house.
